## *Grecia (Santorini)*

Emergiendo de los mares como la perdida Atlantis, la isla de Santorini provoca una serie de emociones poderosas desde que uno se acerca a la imponente Caldera. Cada elemento natural de la isla, nos recuerda que Santorini, en efecto, tiene “un toque divino”.

*Emerging from the depths of the seas like a lost Atlantis, Santorini Island provokes powerful emotions, from the moment one first approaches the imposing Caldera, amongst the natural wonders of planet earth. Each natural element of the Island is here to remind us that Santorini does have a “divine” touch.*

### **Katikies Hotel**

Katikies The Hotel en Oia, Santorini, es un concepto sublime, es el inicio de los hoteles de lujo en la isla y desde su concepción, los hoteles boutique de Grecia han seguido sus pasos. Katikies The Hotel provee belleza y elegancia, simplicidad y estilo, es una oda a la naturaleza, al amor y al regocijo de la sencillez. *Katikies The Hotel in Oia Santorini is a sublime conceptual landmark. For this was the original Oia luxury hotel that from the founding moments of its conception, set the benchmark for the Greek boutique hotel market that tumultuously followed in its wake. Providing guests with an experience rich in elegant interpretation, the transcendent and breathtakingly beautiful Katikies The Hotel in Oia Santorini lures the beholder into its fairytale complex of rooms and suites.*
